LIFETIME
NON-PRORATED
LIMITED WARRANTY

Manufacturer warrants as follows:

1. Its windows and doors are free from material defects in manufacture, and will not peel, corrode, rot, warp blister, or flake. Bronze and beige colors are not covered by this warranty.

2. Its insulating glass units will be free from material obstruction as a result of dust or film formation on internal glass surfaces caused by failure of the hermetic seal due to faulty manufacturing. **(Note: Humidity within the house or building area, and exterior temperature differential may, as a natural result, cause condensation on glass, aluminum, or vinyl surfaces. This does not indicate a defective or faulty window, and would not be included in this warranty.)**

The limited warranty period for windows and doors shall be for the lifetime of the original purchaser.

Manufacturer will provide free repair or replacement – at its option – of any part that is proven defective due to manufacturing defect after inspection by manufacturer. In order to obtain performance of this limited warranty contact dealer where you purchased the product.

This warranty covers material only and Manufacturer does not assume any expense involved with the removal or reinstallation of any replacement parts. In the event that Manufacturer's obligation under this warranty is sought, the part or parts that allegedly do not conform to this warranty must be shipped to Manufacturer charges prepaid.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER GUARANTEES AND WARRANTIES – EXPRESSED OR IMPLIED. MANUFACTURER MAKES NO OTHER EXPRESSED OR IMPLIED REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, OR ANY OTHER MATTERS. MANUFACTURER SHALL NOT BE RESPONSIBLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

This limited warranty does not apply to any of the following:
1. Damage incurred during or after installation, including but not limited to, ripped, cut, torn, or bent screen wire; or breakage, cracks, or scratches in glass.
2. Replacement or repair of worn items such as door and window hardware, balances and latches
3. Drafts and water leakage through storm windows and storm doors.
4. Normal wear and tear.
5. Faulty or improper installation, building construction, design, or handling.
6. Abuse, misuse, accidents, flood, fire, or acts of God, war, or terrorism
